DIVISION 4

THE NORTH COAST DIVISION

OUR NEXT REGULAR MEETING WILL BE

FRIDAY, JANUARY 10, 2025

6:30pm Set Up/Social Time - Meeting starts at 7:00pm

RailPictures.Net - Image Copyright SpeedShot Train Photography

WHEN & WHERE WE MEET

The North Coast Division holds 10 meetings a year (none in July and August). Meetings are on the **2nd Friday of each**

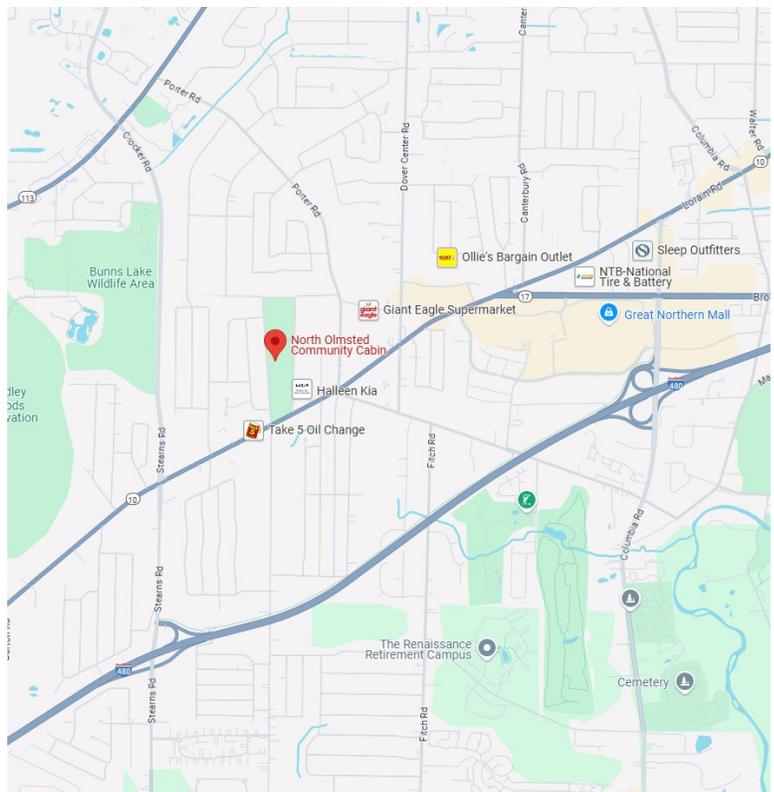

month. A set up/social half hour starts at 6:30 p.m. followed by a short business meeting at 7:00. After a short break, a railroad themed raffle and clinic complete the typical agenda. Starting January, 2025, the meetings are held at the **North Olmsted Community Cabin**, 28114 Lorain Rd, North Olmsted, OH 44070 . Visitors are welcome to attend any meeting.

The Division's newsletter, *The Flatwheel* is published monthly (except during July and August) by Division 4 of the Mid-Central Region (MCR) of the National Model Railroad Association (NMRA). All comments are welcome.

Views expressed in *The Flatwheel* do not necessarily reflect the opinion of the NMRA, MCR, or Division 4.

The Flatwheel is typically electronically published no later than the Monday preceding the monthly meeting. **Submissions are due no later than the 26th of the prior month**, for example, August 26th for the September *Flatwheel*.

GREETINGS FROM THE CAB

Greetings from the cab.

Christmas is behind us and a New Year is ahead of us. I hope everyone had a blessed Christmas with family and friends.

The new year brings a big change to the division in the form of a new meeting location. Bert Wisbar and I did the required walk through in December and all went well. The city has not started the updates to the Cabin, but should be starting shortly. These updates include a new sound system, screen, WI-FI connection and a overhead projector. This project will be ongoing over the next several months with the hope of being finished in February. The Cabin has good space for all of our needs. It may take several months to iron out the wrinkles, but overall, I believe we have a really good meeting place. Also, the meeting start time will be 7:00 pm.

Like the Church of the Redeemer in Westlake, all tables and chairs will be set up and taken down by the membership. Set up will start at 6:30 pm, so come early and help out. Take down will be right after the meeting. See the Flatwheel or website for map and directions.

Just a reminder, the MCR Convention will be in Columbus May 15th thru 18th and the National Convention will be in Novi, Michigan, just outside Detroit on July 14th thru 19th 2025. This would be about a two to three hour's drive from Cleveland. If you have never attended a national convention before, this would be a great opportunity to do so. The Division 4 modular group is making plans to display at the national train show on Saturday and Sunday as part of the convention.

Also, the bi-annual Division 4 train auction will be at the February 14th 2025 meeting, so start gathering your auction items for this event. Auction entry forms will be available at the January business meeting and on the division website.

Well, the train is pulling into the yard and another run is over.

That's all I have for this month.

Happy New Year,

Ron

Ron Morgan

2024 Members Appreciation Dinner

The 2024 Members Appreciation Dinner was held once again at Parker's Party Center in Avon Lake on Friday December 6th. After cocktails and appetizers, we were served a buffet dinner of chicken, salmon and prime rib. Music was played throughout the evening by DJ Chop, who also managed to fit in a trivia contest.

2024 Members Appreciation Dinner

Desserts were no issue this year as many attendees brought in plates loaded with cookies and brownies.

Superintendent Ron Morgan held a brief business meeting and presented this year's Denis Novak awards for service to the Division. This year's recipients were Secretary Chris Shick (who also made our table centerpieces) and Clinic Chair Jerry Krueger. Both individuals have contributed much more to the Division than their titles suggest.

2024 Members Appreciation Dinner

Gary Sole spoke briefly about his recent visit to see Mike Oster, and about Mike's decades long involvement in running our train show. Gary related that Mike is on the mend from a recent illness and in good spirits.

2024 Members Appreciation Dinner

The evening was concluded with the annual holiday raffle, organized by Adam Woodie. Adam was assisted by Lee Sheffield in calling out the winning numbers.

Thanks go out to Ron Morgan for MCing, Greg Noeth for handling all the money details, Patty Kaplan for printing everyone's nametag, Chris Shick for the centerpieces, Dave Williams for coordinating with Parker's, and Adam Woodie for doing the raffle while simultaneously being in charge of module displays at two venues.

MODULE GROUP

Greetings Fellow Model Railroaders!

The module group has been incredibly busy this holiday season! We have seen several great crowds at Wild Winter Lights as well as Trees and Trains. Both events will be wrapping up the weekend between Christmas and New Year's Day. January will be rather quiet for the module group but things will pick up in February with World's Greatest Hobby.

Be sure to come on out and see us at any of the upcoming events. As always, anyone interested in joining the module group, please contact me at woo3482@hotmail.com.

Until next time!

Adam "Hot Box" Woodie

COMPANY STORE

Convention Cars are available!!

We have the Division 4 convention cars for sale for \$28 each; the Accurail ACF 3-bay covered hopper (3 available) and Accurail 40' boxcar (17 available). These are lettered for the Cleveland, Sandusky and Southern Railroad (the modular layout railroad).

Also available at \$25 each:

The Division 7 Accurail N&W 2-bay covered hopper (3 available, different #'s)

The Division 6 Accurail 41' Steel Gondola lettered for The Buckeye Steel Castings Co (3 available)

I'll have these at the January Division meeting. If you do not plan to attend and want me to hold some for you, please let me know!

Scott Benson

CLINICS

JANUARY

There is a change of plans for the January clinic from what was in last month's Flatwheel. We will have some friends from Division 6 attending the January meeting to give a presentation on the 2025 Mid—Central Regional Convention, Buckeye Express, in Columbus in May 2025. The 2025 budget is also on the agenda for January's meeting. With both the budget and the MCR Convention presentation on the agenda, it's been decided to move the presentation originally planned for January to later in the year. In its place will be the What's in My Toolbox mini-clinic originally presented at GBTS in October.

FEBRUARY

February is the bi-annual auction. There is no clinic.

FUTURE CLINICS

I'm always looking for Clinics. I'm currently looking for clinics to schedule for the 2024-2025 meeting year. If you have a topic you'd like to present please contact me. If you need help putting a clinic together, let me know and I can help you put one together and help get points toward your AP certificate. If you have a topic you would like to see presented, let me know.

RAFFLE

Greetings Fellow Model Railroaders!

The annual awards banquet and associated raffle was a great success! We will have a typical monthly raffle in January of 2025. As usual there will be something for everyone! Be sure to buy your tickets early before the regularly business meeting begins.

Until next time!

2025 Auction Information

The Division 4 Auctioneers are getting warmed up for this coming year's Model Auction at the February 14, Meeting 2025!

Ron will probably keep the meeting short!

- The Auction Item slips are available online and at the upcoming meetings.
- I recommend using websites for determining value of items (keep in mind that sometimes the prices on websites are overstated.)
- Consider if some of the items you are selling should be grouped together.

Frank, Lee and I will be available the evening of the auction, to answer any questions you might have before you register some items for sale. The three of us will probably also be at the next two events coming up in December and January, if you need to ask us something.

Have a Great Holiday Season,

Gary

ABOUT US

We are Division 4 of the Mid-Central Region of the National Model Railroad Association. (DIV-4 MCR NMRA).

With more than 200 members from Cuyahoga, Erie, Huron, Lorain and Medina counties in the state of Ohio.

The North Coast Division meetings are normally held on the second Friday of the month, to hear guest speakers, share skills, have railroad related clinics, and to share common problems and successes. Many of us get together informally in round-robin sessions to operate and work
