# DIVISION 4

## THE NORTH COAST DIVISION

OUR NEXT REGULAR MEETING WILL BE

**FRIDAY, APRIL 11, 2025**

**6:30pm Set Up/Social Time - Meeting starts at 7:00pm**

RailPictures.Net - Image Copyright SpeedShot Train Photography

### WHEN & WHERE WE MEET

The North Coast Division holds 10 meetings a year (none in July and August). Meetings are on the **2nd Friday of each**

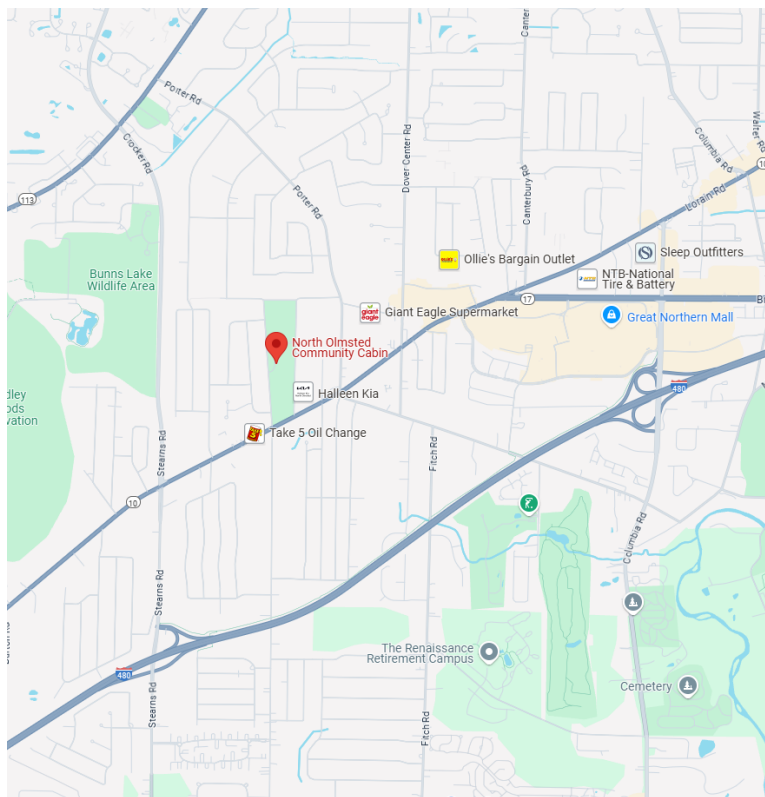

**month.** A set up/social half hour starts at 6:30 p.m. followed by a short business meeting at 7:00. After a short break, a railroad themed raffle and clinic complete the typical agenda. Starting January, 2025, the meetings are held at the **North Olmsted Community Cabin**, 28114 Lorain Rd, North Olmsted, OH 44070. Visitors are welcome to attend any meeting.

The Division's newsletter, *The Flatwheel* is published monthly (except during July and August) by Division 4 of the Mid-Central Region (MCR) of the National Model Railroad Association (NMRA). All comments are welcome.

Views expressed in *The Flatwheel* do not necessarily reflect the opinion of the NMRA, MCR, or Division 4.

*The Flatwheel* is typically electronically published no later than the Monday preceding the monthly meeting. **Submissions are due no later than the 26th of the prior month**, for example, August 26th for the September *Flatwheel*.

# GREETINGS FROM THE CAB

Greetings from the cab.

Big thank you to all members who helped setup for the meeting and to those who cleaned up after the meeting.

Last month's Division 4 annual pizza party went well. The new vendor provided some very good pizzas. It would have been a little better if we had more members in attendance.

The model contest was by far the largest we have had in a long time. Seems like everyone has a passenger steam engine in their collection. Very nice turn out.

There will be sign up sheets for the division picnic in June. Kindly sign up so Larry can have an idea for planning purposes.

A revised copy of the Division 4 By-laws (two changes) will be going out to the Board of Directors for approval. Once approved by the board it will be presented to the membership for approval.

At the next Board of Directors Meeting, we will discuss the possibility of several items that was discussed at the March membership meeting. These included moving the annual member pizza party to February and the annual membership appreciation dinner to November.

Columbus continues to prepare for the 2025 regional convention. Dates for the Columbus convention are May 15th thru 18th. If you have not yet signed up for the Columbus convention, please consider doing so. Speaking of conventions, just a reminder the National Convention will be held in Novi Michigan on July 14th thru 19th, just several hours away. A great opportunity to attend a national convention. I am registered and am looking forward to attending.

Well, the train is pulling into the yard and another run is over.

That's all I have for this month.

# Meeting Minutes

## Division 4, MCR, NMRA General Meeting Minutes, March 14, 2025 North Olmsted Cabin

Superintendent, Ron Morgan opened the meeting at 6:55 pm. with a warm welcome. Ron asked for new members or visitors to stand and introduce themselves: Mark Sable from Avon Lake and Mark Mallet from North Olmsted stood and introduced themselves.

Gary Schaefer made a motion to accept the minutes of the previous meeting. Dino Peris seconded the motion. The Division carried the motion, minutes of the previous meeting were accepted.

Treasurer, Greg Noeth gave a report on all account balances. He also informed us of the total donation to the Division from the auction.

Membership badges are on the back table along with free literature and old calendars.

### **Old Business:**

Regional and National Convention - Ron Morgan - still plenty of time to sign up for both the Regional Convention in May, In Columbus. The National Convention is in July and will be held in Michigan. It is rumored that the host hotel is sold out.

Railfest - Craig Butler - There is still help needed on Sunday to man the Membership table. Shifts are only an hour long.

### **New Business:**

Division 4 By Laws - Ron Morgan - The By Laws are currently going through revisions and updates. Important points to note: The Secretary is no longer a limited term position. Clarification will be made for as to who is to handle the ballots, the Election Chairperson not the Secretary. Ron then thanked Chuck Shick for all his help with going over and retyping of the current by laws.

Date Changes - Ron Morgan - Ron would like to bring up at the next board meeting the following meeting changes;

Pizza Party to February

Auction to March

Appreciation Dinner to November (National Railroad Month)

# Meeting Minutes

Sign-up Sheets - Ron Morgan - There will be sign-up sheets for the Picnic. The Picnic is on Saturday, June 14th at NEOLS. There will be sign up sheets for The Great Berea Train Show.

What to do in June? - Ron Morgan - Need the members thoughts about what to do in June. Do we do have a meeting on Friday and Picnic on Saturday? or should we meet at the Picnic on Saturday?

Working on Cool Projects - Darall Swift brought part of the objects he will be displaying at Division 2's show in Youngwood, PA. Tim Hohman is really having fun being a part of this group. All due to the fact of the mystery prize he won at the Appreciation Dinner in December.

## **Committee Reports:**

Flat Wheel Deadline - Don Oleska - articles or anything you think may be of interest to be printed, get to Don by March 26th.

Clinics - Ron Morgan - Jerry is working on getting together the clinic for April's meeting.

Company Store - Scott Benson - a few new things like laser kits, ho gauges with clearance gauge, National Convention operating sessions are opening. There are day and night ones available. Scott and Bill Cramer went to visit Larry and Carol Madson at their new home in Rocky River Village.

Module Group - Adam Woodie - layout is set up in Lakeland. We are in a back room, come on out. July we will be at the National Convention and August we will be at the Cuyahoga County Fair.

Raffle - Adam Woodie - Nothing tonight

Layout Tours - John Witt, MMR - nothing tonight

AAP Awards - John Hemsath, MMR - Ben Lanza was judged tonight on his 4th car. He scored 110 out of 125.

# Meeting Minutes

Contests - Joe Filipiak - Last months winners for Repurposed Passenger Car are as follows:

|         |     |                  |
|---------|-----|------------------|
| Model   | 1st | Joe Kurilec, MMR |
|         | 2nd | Brian Haas       |
|         | 3rd | Dave Lawler      |
| Diorama | 1st | John Puch        |
|         | 2nd | Tim Bonness      |
|         | 3rd | Joe Filipiak     |

Next Month's Contest is: Open Top Side or Side of Building Showing the Interior.

Comments/Concerns - Ron Morgan - Ron offered a "BIG" Welcome to Mike Oster and Art Bumpus. so good to have them back at meeting.

Gary Sole has fliers on the back table for the Division 5 show.

Tom McInnery is at home and doing well. Please keep all of our unwell members in your prayers.

Tim Sheffield made a motion to close the meeting. Dino Peris seconded the motion. Motion carried by the Division and meeting closed at 7:34pm.

Respectfully Submitted,  
Chris Shick

# MODULE GROUP

Greetings Fellow Model Railroaders!

Winter is winding down and so are the activities for the Module Group. Avon Lake Library was a great success. We had several families view the layout as well as interact with those members that brought projects to work on. We are already booked again for the first weekend in March of 2026.

Railfest as sponsored by the NMRA Mid-Central Region Division 5, also took place earlier this month. Despite a miscommunication regarding the space requirement for the layout, we were still able to display and have a good time at the show. According to the show organizer, we may end up in the same space next year or moved to a different location. We can deal with that issue in 2026.

Things will be rather quiet for the module group until July. That is when the module group will travel to Novi, Michigan to attend the National Train Show which is held in conjunction with the NMRA National Convention. This event will take place on Saturday, July 19th and Sunday, June 20th. Set up will take place on Friday, July 18th.

Be sure to come on out and see us at any of the upcoming events. As always, anyone interested in joining the module group, please contact me at [woo3482@hotmail.com](mailto:woo3482@hotmail.com).

Until next time!

# COMPANY STORE

## Company Store

We still have the Division 4 convention cars (Accurail 40' boxcar) for sale. These are lettered for the Cleveland, Sandusky and Southern Railroad (the modular layout railroad).

Also available at \$25 each:

The Division 7 Accurail N&W 2-bay covered hopper (3 available, different #'s)

## Reminders:

The Company Store also manages:

- Shirt and hat sales – let me know if you want to order a Division 4 shirt.
- FastTracks jig loans – always helpful if I know before the meeting if you'd like to check one out. We have (all Code 83) #4, #6 and #8 turnouts, cross-over/double cross-over, and gantlet jigs
- DVD library – lots of nice DVDs on modelling techniques available to borrow at each meeting

Scott Benson

# CONTEST TABLE

The annual pizza night division meeting is always fun to be at. Plenty of conversation and tasty pizza to be had for all. The pizza was good but the participation in the model contest was great. There were four members who entered models for the first time this session. One of them even placed in the voting. Way to go Dino. The contest itself was unique in that the model portion of the contest actually had two separate sections to vote on and points were awarded in each of those sections. The first section of the model contest was streamlined steam engines that pulled a named passenger train. First place was awarded to Joe Kurilec. Second place went to Dave Lawler and George Geleurter's steamer can in third. The other section of the model contest was the non-streamlined steam engine that pulled a named passenger train. Since there were two separate sections of the model contest, a member could enter a model in both sections. Joe Kurilec did just that and he won first place in both sections. Second place went to Joe Filipiak and Dino Peris who entered a model for the first time this session won third place. The diorama is a separate section in the monthly contest. First place was awarded to John Hughes. Dave Williams pulled down second place with Joe Filipiak's N&W diorama coming in third. Thanks to all who participated and brought in an entry and thanks to all who voted.

The model contest subject matter for April is an open sided or roof off view of the interior of a building. May will be the last contest of the session and the subject matter for that contest is to build a railroad related item using toilet paper tubes as part of the structure. You can add anything else to the project to complete it. The tubes can be cut and changed in diameter or added together to build your entry. Color and size is unlimited. I think I better sign off now and go count my toilet paper tubes. One can never have enough toilet paper tubes.

Joe Filipiak

# CLINICS

## APRIL

Galesburg, Illinois – A Railroad Town. Galesburg, IL has been home to major classification yard for over 100 years. First with the Chicago, Burlington and Quincy RR, then the Burlington Northern RR and now with the Burlington Northern Santa Fe Railway. Galesburg still celebrates its railroad heritage with its annual Railroad Days event. I'll look back to the early Railroad Days events that use to attract thousands of visitors each year through photographs and memorabilia.

## MAY

May program is still open. If you have a program you would like to present please contact me.

## FUTURE CLINICS

I'm always looking for Clinics. I'm currently looking for clinics to schedule for the 2024-2025 meeting year. If you have a topic you'd like to present please contact me. If you need help putting a clinic together, let me know and I can help you put one together and help get points toward your AP certificate. If you have a topic you would like to see presented, let me know.

# RAFFLE

Greetings Fellow Model Railroaders!

Things have been rather quiet the last couple of months for the raffle due to the Auction in February and Membership Appreciation in March. However, do not despair! The monthly raffle will return at the April meeting! Raffle tickets will be for sale before the business meeting. Winning tickets will be drawn shortly after the conclusion of the business meeting. As always, there is something for everyone!

Until next time!

# AMREC's Spring Slide Show

Slides / Movies / Operating Layout  
Saturday, March 29, 2025

10 AM till we are tired

Admission - \$2.00 Donation

Coshocton Model Railroad Club at the Fair-  
grounds on 7th Street Coshocton, Ohio

10:00 AM - 1:00 PM - Layout open for Viewing and Operating We do not have a set schedule for showing slides this year. We are basically having a "Free-for-All" all afternoon and evening.

We are asking that those wishing to share their slides limit your show to two 80 slide KODAK trays, (45 minutes, Maximum). We have extra trays if you need them.

We also have a computer and projector available for those with digital pictures. Have your pictures on a flash drive for the computer.

Please bring your BEST STUFF to show. Have the slides placed correctly in the trays, eliminate the over-exposed, under exposed, and out of focus slides. It makes the show more enjoyable for all. For additional information call: 740-622-0633 or see us on Facebook: [Facebook.com/amrec.rrclub](https://www.facebook.com/amrec.rrclub)

Hot Dogs, Coneys, and Potato Chips will be available for a donation. Pop will be for sale.

# Spring Layout Tours

Think Spring !!

Spring layout tours that is.

Now that you have extra time this winter - make some good progress on your layouts. Everyone in the club would be interested in seeing your improvements.

So get ready for the Late April / Early May tour dates.

Thanks John Witt

Ps - my new phone number is 440-536-6615,  
so when I call it won't be a solicitor

# WANT PROFESSIONAL SKIRTING FOR YOUR LAYOUT?

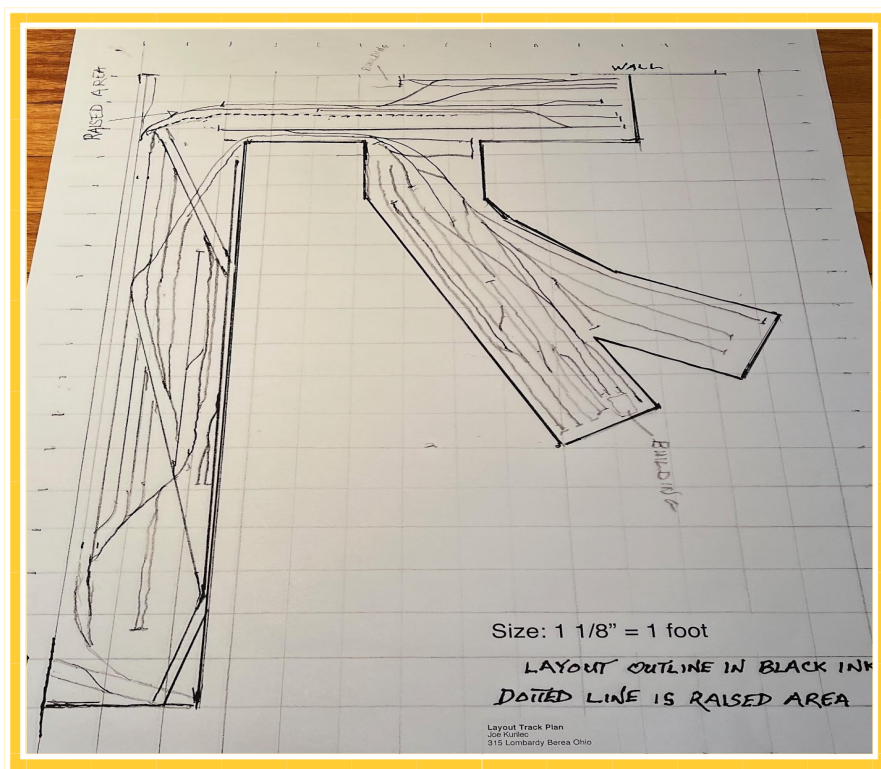

By Joe Kurilec, MMR®

*All contact information in this article is authorized for publication.*

I purchase material from Joann Fabric. Chris & Chuck Shick tried to help make the skirting. Chris came over with her sewing machine and worked very hard on the project. Unfortunately the material I purchased was not very good for this type of project.

Around the same time my good friend Dennis Churovich, (CP: 440.724.0737, EM: [itdennis58@gmail.com](mailto:itdennis58@gmail.com)) IT expert & contractor I use, introduced me to a firm that does custom embroidery. She had a friend that does professional sewing, Anita. (Sewlutions by NE, 3341 Broadview Road, Cleveland, OH 44109. (CP: 216.212.6604. You may have to call twice as she screens her calls. EM: [Sewlutions.by.ne@gmail.com](mailto:Sewlutions.by.ne@gmail.com))

Anita has been sewing for 50 plus years. She is SUPER professional. Her labor and materials that she uses is impeccable. Any member in need of skirting for their layout should give her a call.

Joe Filipiak made a drawing of my layout for a future Model Railroader article. I used this to pencil in dimensions for the need skirting sections. This was given to Anita to start the project.

# WANT PROFESSIONAL SKIRTING FOR YOUR LAYOUT?

By Joe Kurilec, MMR®

This view of the layout shows the bench work before installing the skirting.

Here is the same area of the layout with the skirting in place. The gap between the skirts (upper left side of the image) is an area that I need access to.

# WANT PROFESSIONAL SKIRTING FOR YOUR LAYOUT?

By Joe Kurilec, MMR®

The fabric that Anita used is durable, easy to clean and easy to use at the modelers end. Notice that Anita marked each skirt with ID and measurement for easy installation!

The quality of the stitching is super professional!

# **WANT PROFESSIONAL SKIRTING FOR YOUR LAYOUT?**

**By Joe Kurilec, MMR®**

Industrial Velcro was used and there is a BIG difference in this type compared to the Velcro from craft stores or big box stores. The adhesive used on the Velcro is VERY strong.

# ABOUT US

We are Division 4 of the Mid-Central Region of the National Model Railroad Association. (DIV-4 MCR NMRA).

With more than 200 members from Cuyahoga, Erie, Huron, Lorain and Medina counties in the state of Ohio.

The North Coast Division meetings are normally held on the second Friday of the month, to hear guest speakers, share skills, have railroad related clinics, and to share common problems and successes. Many of us get together informally in round-robin sessions to operate and work
